Songs Say So Much

Jeff Sorg

AGES 2 TO 8

Angel Records,

THE SIMPLE PLEASURES of well-written, well-sung songs abound on this preschool-targeted recording. Jeff Sorg's thrummy acoustic guitar, appeal-

ing voice, and considerable knack with a catchy tune make *Songs Say So Much* a diverting sing-along tape. Many of Sorg's fanciful, original songs are aug-

mented by bass, drums, and keyboards; "My Radio" is particularly winsome. He also playfully tinkers with standards like "Oh, Dem Golden Slippers!" (which becomes "Oh, My Fav'rite Sneakers") and "She'll Be Comin' Around The Mountain," with south-of-the-border references to sombreros and fiestas.
